

APOLLO VIP PROGRAM FAQ'S

Who is Eligible?

All contractors are eligible for membership.

How are rebates accumulated?

Rebates are accumulated automatically on each paid invoice for Apollo and other products manufactured by Conbraco Industries and submitted after joining the Very Important Purchaser Program. You can join by fax: (704) 841-6087; e-mail: conbraco@conbraco.com (must include "Apollo Very Important Purchaser Club" in the subject line); or by mail to the address listed on the back of this brochure.

Will the rebate checks be made in my name or the company's name?:

VIP memberships are established in the contractor's company name and rebate checks are issued to the company. Multiple company locations are allowable.

How often are checks mailed?

Rebates will be mailed once each calendar quarter for orders purchased and paid for during the preceding 90 days. All invoices must be submitted within 30 days after the quarter in order to qualify for the rebate. Minimum check disbursement is \$50.00. If minimum is not met, rebate monies will be accrued.

How often must I buy?

Just one purchase every three months keeps your VIP membership active.

Apollo Valves reserves the right to change its product offering and product specifications at any time without notice. Apollo Valves reserves the right to change the rebate percentage in the VIP/Very Important Purchaser Program, established additional non-cash rewards, or discontinue all rewards at any time.

Apollo is Rebating **Thousands** in Cash to VIP Contractors. Make sure **you** get **yours** today!

Sign Up Today ...

Become a Very Important Purchaser

Isn't it time you became an Apollo VIP member? With our VIP Program*, you earn credits every time you buy any Apollo product - ball valves, butterfly valves, actuators, plumbing and heating products, gate, globe and check valves, safety and relief valves, backflow preventors - and collect a rebate check each quarter. The more you buy, the bigger your rebate!

It's easy! Each time you make a purchase, send us your original paid invoice or a legible copy; many authorized Apollo wholesalers will provide accurate Apollo statements for your company when requested. We'll credit the full amount of your Apollo purchase (minus tax and shipping) to your VIP account. At the end of each calendar quarter, we'll send you a cash rebate for 3% of your total purchases.

All you have to do is sign up for the VIP program and keep us up to date on your purchases so we can keep your account current. VIP eligibility is minimal - just make at least one purchase from the Apollo product lines every three months. After we have received your application we will require a W-9 document.

To get started, fill out the VIP Registration to the right, detach, and fax or mail it the address listed on the back of this brochure.

It's a decision that could earn your company thousands of dollars over the next year.
